

1914 — DIAMOND JUBILEE YEAR — 1989

Immaculate Conception Parish

2745 WEST 44TH STREET
CHICAGO, ILLINOIS 60632

Dear Members of I.C. Parish Family, Friends, and Supporters,

Our Diamond Jubilee Book reflects many hours of devotion and love for our parish, it's founding fathers, those who have continued to build a parish and school over the years and those that continue its traditions and love to this day.

The history of our parish covering the last 75 years is bound within the pages of this Jubilee Edition, along with the present activities and organizations that keep Immaculate Conception Parish, the living, loving parish that it is. We pray to God, the Blessed Mother, and dear St. Joseph to continue giving each and everyone of us the blessings to continue in keeping our parish as great as it is always.

The Priests, Sisters, and the entire Diamond Jubilee Committee wish to thank each and every supporter for their belief in our parish, and during this Diamond Jubilee Year in the aid given them in producing this book that shall be a memorial of 75 years of Immaculate Conception for years to come, and for all to see, read and remember.

As we Remember to Renew, Rebuild, and Continue in Love,
May God's abundant blessings be upon each of you.

In the name of the entire Jubilee Committee,
Thank You - Aćiu Visićm.
